The organising committee for 'Write on the Beach 2006' wish to thank all those who took part in making the 2006 conference a resounding success.

The conference broke all records for participation and registrations and established itself as one of the best conferences on the coast for new and established writers to improve their skills and be recognized.

As 'Write on the Beach' continues to grow and attract successful authors and presenters the need for volunteer help increases. If you would like to bring your particular skills to the team that works all year to make the event happen, please contact us for more information:
