Cancellation

The 2008 conference scheduled for January 2008 has been cancelled.

At an Executive Committee meeting on Friday July 6th the committee made a decision to cancel the 2008 Write on the Beach Conference.

We'd like to change the format and the focus of future conferences and there just isn't enough time to do that by January 2008.

These changes will take time and much discussion. A one-day seminar is planned for a future date to review past successful conferences and make the necessary adjustments.

If you are interested in taking part please let us know and we will keep you posted.

Meantime, your opinions on and suggestions for the conference content, location, date etc. are important to the future of WOTB .
Please send them by e-mail, telephone or 'snail mail' to any of the addresses shown below:
